

PTA Website Information

By now you may have noticed the footer that graces the bottom of practically every page in this packet. In an effort to lower operating costs, streamline information and keep our members in-the-know, the www.eatonpta.org website has been created! Some of the information you will find in this valuable resource include:

- **An Updated Calendar** ~ Due to the year-round schedule, it is very difficult to produce a comprehensive, up-to-date calendar (but we try!). The addition of the calendar to the website allows for posting of information in real time, as events unfold!
- ***The Bi-monthly Newsletter** ~ Click on this link to access the much sought after PTA Newsletter! This feature will not only save time and money, but it will allow for the use of full-color graphics, creating a more visually pleasing end result.
- **PTA Newflash!** ~ From time-to-time it is necessary to get pertinent, time-sensitive information to our members. Click this link for school or PTA related breaking news.
- **Downloadable Forms** ~ Every form included in this PTA Information Packet and the Olympian Fund Packet (to go home shortly) will be available for download. No need to worry if you happen to misplace a form, all you need to do is access this feature and print 'till your heart's content!
- **Eaton PTA Mission Statement** ~ People often ask "What does the PTA do?" The short answer is "a lot!" Here you will find a complete list of programs and projects funded by the Eaton Elementary PTA.
- **Links to PTA and School Related Websites** ~ In addition to the Hubert A. Eaton Elementary School website, here you will find links to the New Hanover County School Board, the North Carolina State PTA and the National PTA Organization, as well as current Eaton PTA Officer contact information.
- **...and much, much more!** ~ We're just getting started! We've covered the basics but, as always, we have plans for expansion. Be sure to bookmark www.eatonpta.org and check back often!

If you DO NOT have access to the internet and need to receive a paper copy of the newsletter, contact Tammy Covil at 910-395-2956.

Please note that in an effort to save money, no printed newsletters will be distributed this year.
