

## **Volunteering**

Dear Eaton Parents,

Welcome back and greetings to those just starting their learning adventure here at Eaton Elementary!

My name is Cathy Bagley, and I am the Volunteer Coordinator for the upcoming school year. We are looking forward to creating the best possible learning environment for our children with the help of parent volunteers. Through the volunteer program, we can assist the teachers and children in achieving their education goals.

I know how hard it is to balance the demands of our children's schoolwork, our jobs, and our at-home responsibilities. Being a volunteer does not mean being at the school all of the time, it is simply helping when you can. That help may come in the classroom or out of your home. I assure you that any volunteer time you give will be enjoyed and appreciated by all.

Please take the time to complete the Volunteer Request Form and return it to your child's teacher as soon as possible.

I look forward to working with you. Please feel free to call if you should have any questions.

Sincerely,

Cathy Bagley
